

A busy week at Lulworth House Residential Care Home

Our residents at Lulworth House Residential Care Home enjoyed lots of fun last week.

With such inclement weather, we focused on some indoor pursuits including a lovely art session when our ladies enjoyed **painting flower pictures**, which got us all in the mood for Spring!

We also held a **History Club** relating to Kent and Maidstone; our ladies and gentlemen looked very interested listening to stories and looking at old photos and videos on YouTube – a great way to spark conversation and reminiscence.

On Friday we held our very own '**pub afternoon**' with a bit of music and dance, as well as snacks and drinks, which went down well with everyone.

Our weekend was also busy; our ladies kindly came together to prepare vegetables for lunch, which is always a lovely social gathering! We also visited our local **Church** for the Sunday service.
