

A visit from Ralph and St Patricks Day fun at Lulworth House Residential Care Home

We've enjoyed another fun-packed week here at Lulworth House Residential Care Home.

A highlight was a visit from **Ralph the gorgeous cockapoo**, who came and made us all smile while we made a lot of fuss of him!

We also celebrated **St Patrick's Day** on Wednesday 17 March in the way **Lulworth House** does best – lots of **leaping leprechauns** still searching for that pot of gold!

We all had fun and the **Jamesons** and **Guinness** were flowing!
