

Advice for younger generation at Lulworth House Residential Care Home

We had a little 'advice for the younger generation' session at Lulworth House Residential Care Home last week.

Our residents produced some heartwarming answers, but our favourite has to be Frank with *"Don't give up!"* – his beaming smile is what makes it so special!

Other residents were more serious in their advice with comments like, *"Listen to your parents"* or *"Follow the rules!"*.

The session also sparked memories about their childhood and the advice that they were given as children, so it was interesting to hear the different responses and reminisce on their special memories.
