

All about the cakes at Lulworth House Residential Care Home

It was cake heaven at Lulworth House Residential Care Home last week!

We decorated **Maria's birthday cake** with gorgeous lilac icing swirls, chocolate hearts and piping, which went down very well with the birthday girl on her special day!

On Friday we held a **Macmillan coffee morning**, so Katja our Nourishment and Social Wellness Coordinator, decorated some delicious looking cakes for the event.

We were delighted to raise £42 for the cancer charity – thank you to everyone who donated.
