

Beautiful nails and Bingo at Lulworth House Residential Care Home

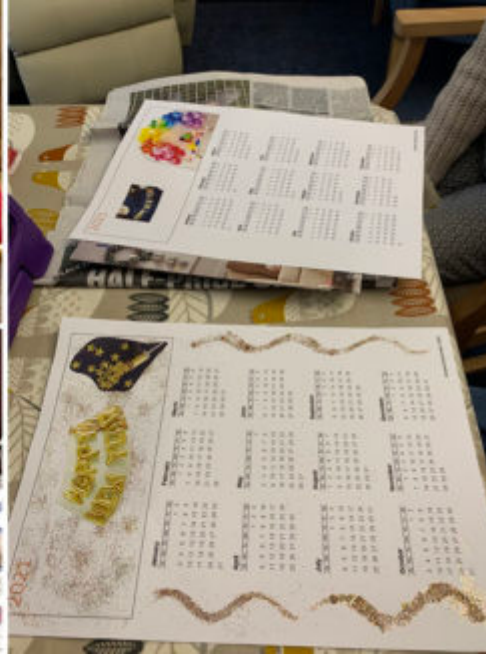

Our ladies and gents at Lulworth House Residential Care Home do love a good game of Bingo!

We came together for a **Bingo** session this week and loved the fun of hearing the caller and marking our cards.

Our ladies have very much enjoyed getting their **nails painted** and **hair done** too - it's lovely to pamper them and make them feel great.

We've also been busy with **crafts** – one of our gentlemen has been constructing a **wooden car from a kit** and we've also decorated **2021 calendars** with stickers and glitter, all ready for the new year – *very organised!*

Enjoying bingo and arts and crafts
