

Betty turns 101 at Lulworth House Residential Care Home

On Wednesday 25 September we were delighted to wish our lovely resident Betty a very happy 101st birthday at Lulworth House Residential Care Home .

Betty enjoyed her special day with family and friends around her – and a big smile on her face!

We all got into the party spirit, with singing and dancing and Betty was thrilled when we presented her with a special iced birthday cake that our residents and staff had made for her.

Many happy returns Betty - we're so pleased you had such a memorable day!
