

Bingo, baking and St Davids Day at Lulworth House Residential Care Home

Last week, our ladies from Lulworth House Residential Care Home went out to play some bingo together at a local Bingo Hall. They enjoyed their games and had a very tasty fish and chip lunch!

During the rainy weather, we've kept ourselves busy with **baking** and doing **jigsaw puzzles**, and also hosted a piano singing session with Irmina, which our ladies and gents thoroughly enjoyed.

On Friday some of our ladies went to our sister home, Lukestone, for a wonderful **1940s party**.

We've also been celebrating, as our lovely resident **Anne had her birthday** last week. She was thrilled with her gorgeous birthday cake.

At the weekend we held our **history club**, which featured **St David's Day**. To celebrate, we went shopping for ingredients to make leek and potatoes soup; our residents did a great job preparing the vegetables for it.

And no St Davids Day is complete without some daffodils, so we made sure we bought some bunches on our shopping trip!
