

Birthday and Easter fun at Lulworth House Residential Care Home

This week we've celebrated our lovely Bettina's birthday at Lulworth House Residential Care Home.

She very much enjoyed her birthday balloons, cards and celebration cake.

Easter preparations

We started our Easter preparations this week too, as we're hoping the Easter bunny will visit us!

We made some **Easter bunny decorations** and some of our residents have been receiving **Easter cards** and **presents** from loved ones, which has put big smiles on many faces!
