

Birthday celebrations and movie fun at Lulworth House Residential Care Home

We've enjoyed double celebrations recently as Ivy and Moira both had their birthdays here at Lulworth House Residential Care Home.

Both ladies were visited by their families in our garden and both loved receiving special birthday cakes (one lemon, one peaches and cream – yum!), with Moira turning '90 years young'!

We've also enjoyed a lovely **art session** with our ladies, who enjoyed painting fancy dress masks in bright colours.

A movie afternoon was also on the menu during the week – a classic **Laurel and Hardy film** which went down a treat with everyone!
