

## Birthday wishes for Frank and cheese tasting at Lulworth House Residential Care Home

### Happy birthday Frank!

On Friday 18 August we celebrated Frank's birthday at Lulworth House Residential Care Home.

He had a **beautiful cake** made by our Chef which was decorated by our Nourishment and Social Wellness Coordinator Katja who did a fantastic job.

He received some **lovely gifts from his family** and was very pleased with his special day and of course, his cake!

### Cheese and wine

As part of the day, we put on another **cheese and wine tasting session** for our residents. Everyone loved trying the different wines and cheeses and it made a great birthday treat for Frank too!

On offer we had – feta, Wensleydale and cranberry, blue stilton, Gloucestershire and chive, Applewood smoked cheese and red Leicester, alongside a selection of crackers, bruschetta, olives, grapes, garlic sausage slices and pepperoni slices. This was

accompanied by white wines and rose wine too.

*Needless to say, we had a fantastic little feast!*
