

## Birthdays and beautiful cakes at Lulworth House Residential Care Home

We enjoyed a busy week of activities here at Lulworth House Residential Care Home last week.

We had fun celebrating **Barbara** and **Rosemary's** birthdays. Rosemary went out for a pub lunch just across the road from our **Home** and both ladies had fun opening cards and presents and eating birthday cake!

We held a baking session with some of our ladies. They made a delicious apple crumble, which is a real favourite at **Lulworth!**

Some of our residents got together for an '**Active Armchairs**' exercise party, which was so much fun. We had scarf exercises, balloon games and air hockey which is very popular.

We were also delighted to be awarded '**interactiveMe user of the month**', which we are so pleased about as we use the system a lot with our residents. We received a wonderful box of cupcakes to celebrate.

Resident Pauline had the chance to spend time with a little dog belonging to one of our staff members. Both Pauline and her new four legged friend loved their time together, full of cuddles!
