

Biscuit Day celebrations at Lulworth House Residential Care Home

National Biscuit Day

Our residents here at Lulworth House Residential Care Home got to enjoy a large selection of biscuits with a hot drink on Monday 29 May – celebrating National Biscuit Day!

Our ladies and gents all picked their favourites and chocolate biscuits were by far the favourite choice; wrapped biscuit bars came in a close second to the traditional bourbons!

Entertainment in the garden

Last week, we had some live music and entertainment in the garden with Peter Kneebone, who came to sing for us at Lulworth House.

He sang some classic swing songs and our residents loved being able to sit outside and enjoy some fresh juices and ice lollies while listening to the live music.

We look forward to welcoming Peter back to Lulworth House later in the summer.
