

Book and Art Clubs are a success at Lulworth House Residential Care Home

This week we have started a Book Club here at Lulworth House Residential Care Home.

Our ladies loved taking it in turns to read aloud and have decided they would next like to read a romance! It was lovely to see the group reading to each other and listening together.

We have also started a **Life Art Club** to show off our range of skills. Our ladies and gents enjoyed pencil sketching – a very relaxing and rewarding pastime.

And we now have two new '*friends*' around our **Home**, in the shape of two **Echo Dots**! Alexa has been enjoyed by all our residents; we have played some games with her and been quizzing her about the weather!
