

## Busy with Burns Night preparations at Lulworth House Residential

**Our residents love to keep busy and get involved when we have an event to celebrate and last Friday they enjoyed washing and preparing vegetables for our Robert Burns activity day - our carrots and potatoes have never had it so good!**

Celebrated on or near the 25 January every year in Scotland, Burns Night gives recognition to Robert Burns, the poet and writer whose most famous work is 'Auld Lang Syne'.

Thanks to all our ladies and gents who helped with our Burns Night feast!
