

Cakes a plenty at Lulworth House Residential Care Home

Last week we had a whole lot of cakes going on here at Lulworth House Residential Care Home!

Our residents made **Victoria sponge cupcakes** which they then decorated with jam on Tuesday, followed by delicious **lemon cupcakes** on Wednesday.

On Friday 26 February we decorated **Anne's birthday cake** which was good fun. We only had one mishap when Mary accidentally took the mixer out of the cake mix while it was still going – we all ended up wearing butter and sugar and it was all over the table!

All was not lost though, and the cake looked very pretty with cut out pink and purple flowers on top.

It's so wonderful to see our residents engaged in baking once again – they really enjoy it.
