

Caribbean BBQ and cocktails at Lulworth House Residential Care Home

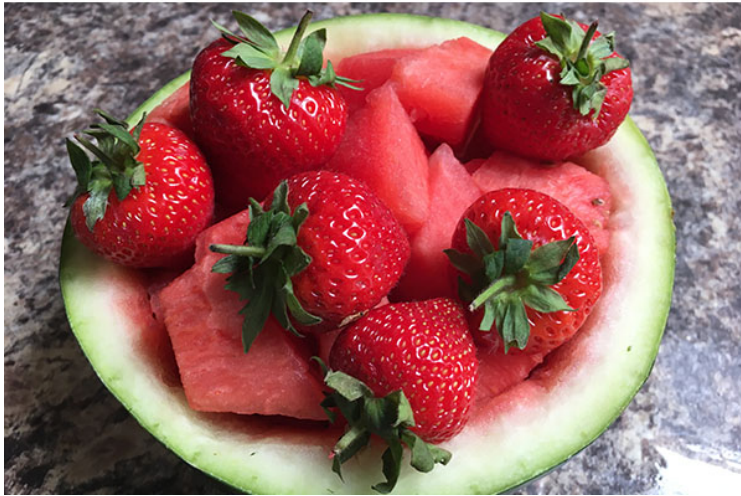

On Wednesday 14 July at Lulworth House Residential Care Home, our virtual Nellsar Cruise docked in the beautiful islands of the Caribbean.

The food on the cruise was prepared by our ship's **Chef Alisio**, who cooked our resident passengers a **mouthwatering BBQ** in our garden!

Hot dogs, burgers, fresh salads and delicious tropical desserts – we were spoiled for choice!

After the meal our residents joined in with an 'after party', where they enjoyed **tropical cocktails** and **music**.

What a fantastic day!
