

## Carry on Camping in Scotland at Lulworth House Residential Care Home

**As we had such a lovely warm September, our residents at Lulworth House Residential Care Home decided to make most of it, with a spot of camping!**

Our destination was Scotland and some of our ladies and gents prepared some Scottish flag bunting to string up around our campsite.

Our virtual '*Carry on Camping*' activity encouraged our residents to reminisce about past Scottish holidays, as well as how to set up a camp.

We joined in with **DJ's Archie's Scottish sing along** and had a jolly dance too, with lots of laughter and smiles!

### Birthday wishes

We also celebrated **Ivy's 93rd birthday**, with a delicious cake prepared by our residents, and special presents and lovely wishes from family.

*Many happy returns Ivy!*
