

Celebrating picnic month at Lulworth House Residential Care Home

On Tuesday 26 July we had fun celebrating picnics at Lulworth House Residential Care Home.

Our ladies picked **pretty tablecloths** and helped set up amazing **picnic tables** in both our lounges, with lovely **wicker baskets** and **plushie fruits**.

We enjoyed a **relaxing afternoon** listening to music, reading vintage recipes magazines and reminiscing about our past al fresco dining experiences.

Picnic fun with fruit and veggie friends!
