

## Celebrating VE Day at Lulworth House Residential Care Home

**We all enjoyed marking VE Day here at Lulworth House Residential Care Home.**

We welcomed the very talented **Jasmin** who came to sing songs for our residents to enjoy, which included "*We'll meet again*" and "*Run rabbit run*". It made for a beautiful day of singing and dancing which we all thoroughly enjoyed.

A highlight of the celebrations was our '**street party**' at the end of the week when our ladies and gents enjoyed homemade cakes washed down with ginger beer! Hooray!

*Who said social distancing couldn't be fun!*
