

Cheesecakes and Swiss rolls at Lulworth House Residential Care Home

Last week at Baking Club, our Lulworth House Residential Care Home residents enjoyed a number of delicious activities!

We made **creamy kiwi cheesecakes** by combining all the ingredients, spooning the mixture into dessert glasses and topping with a fresh piece of kiwi – *scrumptious!*

We also made some **Rice Krispie cakes** which are always a firm favourite, especially as our residents love licking the spoons!

We got busy whipping cream for **Jack's birthday cake**, with fresh strawberries and grated chocolate on top. *Yum!*

And **Swiss roll cake decorating** was also on the menu! Melted chocolate, sprinkles and glaze cherries – *what's not to love!?*
