

Chocolate delights at Lulworth House Residential Care Home

This week at Lulworth House Residential Care Home we've enjoyed making a mess with our food mixer!

Joyce helped to make some **apricot desserts** for our soft and purée diets, which went down a treat at lunch time!

Joyce and John also helped to make some more **delicious Rice Krispie cakes**. This time we added sprinkles on top and John especially enjoyed licking the spoon at the end of the mixing – it has been lovely to get him involved with baking club again.

Rita and Janet helped to decorate **Barbara's birthday cake** too which was enjoyed by all, especially since it was chocolate flavoured! Our ladies enjoyed breaking up the chocolate biscuits to go on top...*scrumptious!*
