

## Christmas Carolling at Lulworth House Residential Care Home

Lulworth House Residential Care Home residents and staff were delighted by our lovely Katja who sang carols while we congregated in the lounge on Saturday 21 December. Our ladies and gentlemen had a lovely time.

We were delighted to host the choir from **The Church of Jesus Christ of Latter-day Saints** during the evening of Monday 23 December; they visited us to sing festive Christmas carols.

We also held a special **Christmas church service with a holly communion** for our religious residents on Christmas Eve, Tuesday 24 December.

### Congratulations Valerie and Daniel

Our lovely resident **Valerie** celebrated her 62nd wedding anniversary with her husband **Daniel** and their daughters on Saturday 21 December. In 1957, they were married in Charlton Church and took their honeymoon in Brighton. *Congratulations to you both!*
