

Christmas hats and an advent calendar surprise at Lulworth House Residential Care Home

Christmas hats

We put our own spin on the traditional Easter bonnet competition and made it festive here at Lulworth House Residential Care Home!

We bought some essential bits such as a **hat base, tinsel, glitter and baubles**, but the rest was up to our residents to get creative. Two lucky residents acted as our models and we showered them with all things Christmas!

Our tactic was to make sure the hats screamed '*Christmas!*' and we think we succeeded!!

Advent calendar

Day six of our Christmas advent calendar and Jackie opened a **giant inflatable gingerbread man**! The perfect accessory for our sparkly Christmas tree.

Our residents have been **giving him a little cuddle** as they go past – *he's definitely been a conversation starter here at Lulworth House!*
