

Christmas jumpers and snowflakes at Lulworth House Residential Care Home

Jumpers at the ready!

This week we had some fun with our Christmas Jumper Day celebrations at Lulworth House Residential Care Home, with performer Kevin Walsh.

Our residents, staff and families who joined us, wore their most Christmassy top for the occasion and enjoyed a **wonderful afternoon of music and dancing**.

Snowflake art

Our residents have also been getting creative **making different shaped paper snowflakes** to decorate our windows.

The results are stunning and everyone loves taking a glance at them on the lounge window overlooking the Christmas lights in the garden!
