

## Christmas party and Baking Club treats at Lulworth House Residential Care Home

### Party vibes

On Saturday 17 December we celebrated our Christmas Party here at Lulworth House Residential Care Home.

We welcomed **entertainer Peter Kneebone** who joined us to get the singing and dancing started with his lively music – looking very festive in his Christmas jumper!

Our residents dressed in their best **Christmas party wear** and danced all afternoon. We were delighted that many **relatives and friends** came to join in the fun too.

We held a **raffle**, with lots festive prizes and were very pleased to raise over £70 for our Residents' Fund.

We even had a **visit from Santa**, who delivered goodies to all our ladies and gents. Our Nourishment and Social Wellness Coordinator Katja brought her young daughter Astrid in to meet Santa too – and she was all smiles meeting the main man himself!

Once the singing and dancing was over, we all enjoyed a huge **Christmas buffet** and everyone tucked into some delicious festive

nibbles.

*What a brilliant party, with such a fantastic atmosphere.*

Singer Peter bringing the Christmas tunes

## Baking Club

As part of the festivities, our residents had fun with Katja at Baking Club making **shortbread trees and luxurious chocolate yule logs** which were admired and enjoyed by all!

*Double yummy!*
