

Christmas tree fun at Lulworth House Residential Care Home

On Saturday 1 December, we really enjoyed getting into the festive spirit, as we got out our Christmas trees and decorations at Lulworth House Residential Care Home.

Our families came in to lend a hand, which added to the jovial atmosphere and we listened to seasonal carols and enjoyed joining in.

Our Home now looks wonderful with a number of sparkling trees decked with festive baubles - they make such a fantastic display.

And now we are all ready for next Saturday, when we are hosting our Christmas party.

We are also having an 'Elf Day' on Friday 7 December, so we are very excited to see our residents and staff all dressed up!
