

Church service and autumnal art at Lulworth House Residential Care Home

Allington Baptist Church

Last week our friends from Allington Baptist Church came to visit our residents at Lulworth House Residential Care Home for a joyous and meaningful service to celebrate the harvest festival.

Our table was dressed with **fragrant flowers** and our ladies and gents joined in with **singing and prayers**, giving thanks for all the **positive things** in people's lives.

Thank you Allington Baptist Church – see you soon!

Celebrating autumn

To **celebrate the magnificent colours of autumn** our residents have been playing with paint colours and cotton buds to create some **wonderful autumn tree and pumpkin pictures**.

We had lots of fun creating these and results are stunning!
