

Clever spring crafts at Lulworth House Residential Care Home

To celebrate the recent spring-like weather, we held a spring crafting session with our residents at Lulworth House Residential Care Home.

The theme was '*Nosey neighbours in Spring*', representing our inquisitive furry friends in the garden. We used felt, sprigs of foliage and seed pods to create our three dimensional pictures and included vibrant daffodils from our garden to brighten our sunny craft creations.

Our residents loved creating these works of art, especially using natural materials and flowers grown at **Lulworth**.
