

Delicious cakes and cheesy rounds at Lulworth House Residential Care Home

Last week's Baking Club focused on decorating two delicious celebration cakes for Eddie and Sheila's birthdays here at Lulworth House Residential Care Home.

For Eddie we created a **magnificent chocolate bar topped sensation!** For Sheila, we made a **colourful iced cake with rainbow sprinkles.** Yummy!

We made **cheesy rounds** together too, mixing the ingredients and cutting them out.

Using some of the cut off **chocolate cake**, we also added some chocolate **Nourish milkshake** to make a calorific tasty snack, suitable for soft diets.

We always really enjoy tasting all our creations!
