

## Easter bonnets and party time at Lulworth House Residential Care Home

**On Good Friday (15 April) residents here at Lulworth House Residential Care Home enjoyed the garden for the very first time this year!**

Our ladies and gents participated in arts and crafts personalising Easter bonnets to wear in the sunshine.

With a little bit of music, a cocktail and freshly baked biscuits, the atmosphere was perfect to make everyone's day!

To make it even more special, we wrote the residents' names on the wall. Such a well deserved taste of fresh air!

Our lovely ladies

Garden party time!

The writing's on the wall
