

## Easter fun and birthday cakes at Lulworth House Residential Care Home

### Easter weekend

Our Nourishment and Social Wellness Coordinator Katja and team member Cheryl wore their bunny ears and Easter earrings for Good Friday at Lulworth House Residential Care Home, for a bit of fun.

Katja commented "I made my earrings and put my hair in an egg-shaped bun, however as my hair is so short it didn't look much like an egg, but I did have sheep hair clips!"

## Birthday cakes

Resident Diana celebrated her birthday recently. She loves turtles and has a very large collection in her room, so Katja attempted a **turtle birthday cake** for her – and it came out brilliantly, decorated in pink icing, chocolate piping and sprinkles.

**Barbara's favourite colour is blue, and her favourite biscuits are the wafers and cookies**, so Katja got to work on making her a birthday cake too, to make her day extra special.
