

Easter treats and pampering at Lulworth House Residential Care Home

Our Easter at Lulworth House Residential Care Home was a real treat, with so much going on for everyone to enjoy.

Our residents had fun making **Easter shortbread** in the run up to the Bank Holiday weekend, all ready for our Easter treat bags and we were thrilled to have a special window visit from the **Easter Bunny** on Friday 2 April, which was such a lovely surprise!

We've been offering an early morning **Breakfast Club** for our early risers at **Lulworth House**, who enjoyed tea and hot cross buns on the morning of Friday 2 April – such a soothing treat to wake up to!

Our Easter activities have included **decorating Easter bonnets**, **spring flower arranging** and **making decorations**. It's been lovely to see lots of splashes of colour around our **Home**.

And some **Easter pampering** was the icing on the cake! Our ladies and gents could enjoy some relaxation with hair cuts, shaves and blow dries, so they were all spruced for their Easter celebrations!

And they could also enjoy relaxing with sandwiches and tea, or a glass of wine or lemonade. *Perfect!*
