

Easter weekend fun at Lulworth House Residential Care Home

We enjoyed a host of fun activities over the Easter weekend at Lulworth House Residential Care Home.

We began our Easter Sunday visiting a **local church** where we watched the special **Easter service** and enjoyed some tea and bunny shaped biscuits afterwards as we chatted to some of the locals and people who ran the church.

After a delicious **traditional roast dinner**, we began our **Easter egg hunt**. The eggs were mostly hidden outside and we all took our time looking for the eggs in all corners of the garden. *Great fun!*

After this, we moved on to an activity called 'What Easter means to me...' – getting **quotes** from some of our residents explaining what Easter means to them which we wrote down for everyone to read.

A very happy Easter enjoyed by everyone!
