

## **Elf visit at Lulworth House Residential Care Home**

**On Saturday 15 December we arranged a little surprise for our residents at Lulworth House Residential Care Home - a secret dance party with our special attraction, a visit from a life-size jolly elf!**

All our residents had a chance to meet the Elf and dance with him. We had great fun and the Elf certainly brought lots of smiles to our residents faces!

On Sunday 16 December two of our ladies went to the Allington Baptism Church for a lovely Nativity Service. They were wonderfully entertained by the children and a live band. Afterwards, they were invited for coffee and mince pies.

What a fun weekend at **Lulworth House!**
