

End of summer party fun at Lulworth House Residential Care Home

On Wednesday 21 September here at Lulworth House Residential Care Home we were excited to celebrate our end of summer party.

Performer **Marcus** came to entertain our residents and guests with **50s, 60s and 70s classics**, accompanied by his **guitar**. Everyone enjoyed a glass of wine and the party began!

During the occasion we also celebrated **Eileen's birthday** with an amazing cake made by Katja and singing 'Happy birthday!'

Afterwards, we transformed our dining area with a **buffet serving cakes and savoury snacks** for everyone to enjoy. *It was so lovely to have our beautiful families around to share these happy moments with us.*
