

Family Christmas party at Lulworth House Residential Care Home

Lulworth House Residential Care Home residents enjoyed a marvellous Christmas bonanza last Saturday when we invited family members for a festive party.

We had the lovely Polly come and sing for us and after her set we had a big spread of picky buffet bits and sung along to our favourite Christmas songs. The room was filled with happy smiles, laughter and the best dance moves ever!

Some of our residents even became emotional hearing certain songs as they danced away with their family members; it was the most Christmassy, fun day *ever!*
