

Folk music party at Lulworth House Residential Care Home

Folk party

On Thursday 14 October we hosted a country/folk music party at Lulworth House Residential Care Home, with special guest singer Jasmine.

Our residents entered into the spirit of the theme by wearing **cowboy hats**, as well as **singing, dancing** and **playing musical instruments** including tambourines and maracas.

We all enjoyed the music and party spirit, with some residents enjoying a glass of wine after Jasmine's performance.

Pumpkin printing

Last week a group of our residents engaged in some arts and crafts, making **decorations for Halloween** together, with our newest Activity Coordinator **Michela** who assisted those who needed support.

They **used an apple cut in half to print on paper to resemble a pumpkin** and everyone enjoyed **painting** with colours of their choice, whilst some of our residents were prompted to use their paint brushes to draw decorations from their own imaginations.
