

## From James Bond to face masks at Lulworth House Residential Care Home

Our residents here at Lulworth House Residential Care Home enjoyed a James Bond themed morning last week, listening to all the big songs, including Shirley Bassey's theme tunes.

We had our own **Lulworth Casino** where we played roulette for prizes including cars (*model cars only, sadly!*).

Our ladies were also treated to a spa day where they enjoyed cooling face masks.

And now we are getting ready for our beach party this Friday – so palm trees are in the making!

Our ladies enjoyed a cooling face mask
