

## Gents afternoon and festive crafts at Lulworth House Residential Care Home

### Pub afternoon

Last Thursday we invited our gentlemen at Lulworth House Residential Care Home to spend an afternoon drinking beer and enjoy a pub quiz.

The pub afternoon was arranged in our dining room, where beers were displayed as well as games of **cards and football**. Our gents enjoyed drinks and snacks of their choice and had fun with a card competition, cheering at the winners.

### Christmas decorations

This week our residents have been busy preparing a variety of different **ornaments for Christmas**.

We sewed some stockings and decorated some **festive baubles**, all the while listening to some jolly **Christmas songs**, singing along whilst we enjoyed our **arts and crafts**.
