

## Harvest celebrations at Lulworth House Residential Care Home

**This week it's been all about the harvest season here at Lulworth House Residential Care Home.**

With the weather changing, we've made delicious **warming soups** for supper and some tempting **apple pies** too.

We've also been keeping busy with **harvest quizzes** and **word searches**, and some of our ladies have been making some gorgeous **autumn pictures** using garden leaves.

On Friday we are going to celebrate the harvest further with a **cider tasting** session, apple pie eating and picking **fresh sunflowers** from our garden, which are looking beautiful.

*What a wonderful time of year!*
