

## Hats and horses at Lulworth House Residential Care Home

To celebrate Ascot Week last week our ladies decorated hats with flowers so they'd look the part for our special 'Lulworth Ascot' horse racing night here at Lulworth House Residential Care Home.

We've also been **playing bingo** in our garden, spending time with our **Guinea pigs** and enjoying a **Sunday Church service** on DVD from our local Allington Baptist Church, where we usually attend mass on Sundays.

We also made a special poster display to honour **Dame Vera Lynn**, who touched so many of our hearts.
