

## Hearts and stars at Lulworth House Residential Care Home

### Baked with love

A small group of our residents here at Lulworth House Residential Care Home had a lovely time during Valentine's Baking Club recently.

We made some yummy Valentine's cupcakes and decorated them with white chocolate, chocolate hearts and mini marshmallows.

Our ladies Moira and Carol also did a great job of decorating some McVitie's digestive biscuits; they loved sprinkling the white chocolate stars and marshmallows all over them.

### Roll with it!

Doreen helped Dikki decorate some Swiss rolls at the weekend, using cherries – *delicious!*

Frank and Katja (*Nourishment and Social Wellness Coordinator*) also enjoyed some quiet time reading in the dining room after lunch one day.

The cakes were delicious!
