

Holiday camp games at Lulworth House Residential Care Home

Last week, as we were celebrating Holiday Camp Week at Lulworth House Residential Care Home, our residents had a fun-filled week of activities.

We held a **ping-pong tournament** and also celebrated *National Paper Airplane Day*, with some paper planes of our own taking to the air!

Our residents said it was like a '*jump into the past*' as they felt transported back in time, with lots of **loving memories**.
