

Holiday Camp Week at Lulworth House Residential Care Home

Throughout this past week, our residents at Lulworth House Residential Care Home have been getting ready for summer – despite the weather!

Monday 23 May marked the beginning of our '**Holiday Camp Week**' and our ladies and gents gathered to share personal **memories and experiences of past holidays**. In the background we played relaxing sounds from the ocean (*while the rain came down outside!*).

Some of our residents brought to memory the **competitions** that were held during **Summer Camps**, so we launched our very own set of competitions! We challenged each other in **pretend-swimming**, the **best summer dress** and '**the most exotic holiday taken**', among others. Winners in each category were presented with a medal, which they have been wearing very proudly!

Our creative residents enjoyed **painting postcards**, both from their favourite places and what surrounds us now. We then created a keepsake scrapbook to share with others our activities and achievements.
