

In the frame at Lulworth House Residential Care Home

Lulworth House Residential Care Home is looking picture perfect this week!

*We have been **making our own frames with our favourite pictures** and as you can see, our residents have loved putting their own spin on it and getting creative with their artwork – some decided to make a collage.*

Our ladies and gents were quite **musical** in the afternoon and were making up their own songs whilst dancing along together – *it was lovely to see!*

We can't wait to put our frames up around our Home this week and show everyone what **talented artists** we have at Lulworth.
