

## Jubilee celebrations at Lulworth House Residential Care Home

Last week here at Lulworth House Residential Care Home we enjoyed a week full of celebrations for the Big Platinum Jubilee!

Our staff, residents and some of our lovely **families helped** with our **bunting and decorating** our garden and lounges with balloons, Union Jacks, paper chains and so much more. It looked wonderful!

Everyone enjoyed a range of activities throughout each day, including **watching the Jubilee parades and services** on television, as well as engaging in royals activities and games including **themed quizzes**, 'Pin the diamond on the crown' and 'Guess who?' - **royal edition**.

Our ladies indulged in **pampering sessions with jewellery**, while our gents enjoyed **military marches** on the spot and around the House!

**Singer Kevin Walsh** opened our celebrations with an amazing musical performance and our guests enjoyed a glass of Prosecco with lemonade and raspberry.

To conclude our Jubilee celebrations, our residents were invited to a **special cream tea party**, where we served finger sandwiches, a variety of sweet treats, fresh fruits and our red, white and blue tiered Jubilee cake, complete with chocolate corgis!

***What a fantastic week of celebration!***
