

## **Kathy turns 100 at Lulworth House Residential Care Home**

**We were recently delighted to celebrate Kathy's 100th birthday here at Lulworth House Residential Care Home.**

Having spent a celebratory weekend out with her family, we organised a party for her special day at **Lulworth House**, with decorations and balloons a plenty!

And what **100th birthday party** would be complete without the wonderful tones of singer **Kevin Walsh**, who delighted everyone with his music.

We presented Kathy with a scrumptious pink iced birthday cake, topped with marshmallows, golden hearts and a '100 and fabulous' topper! *Perfect!*
