

## Knit and Natter Club at Lulworth House Residential Care Home

During our bi-weekly Knit and Natter Club, our ladies at Lulworth House Residential Care Home demonstrated their skills by making pom-poms and a crochet flower to celebrate International Flower Day.

While sitting and chit-chatting, we noticed that Michela, one of our Activity Coordinators and Diana were **wearing un-matching socks**.

*Everyone had a laugh and we joked about starting this new trend!*
