

## Lulworth House Residential Care Home celebrates Fathers Day

We celebrated Father's Day at Lulworth House Residential Care Home on Sunday 20 June with a big chocolate cake and tasty savoury nibbles!

Our residents enjoyed some lovely **Zoom calls** from family to share their special stories with each other.

This was also a **chance for families to get together** through these COVID times, as we forget that they too haven't seen each other for a quite a while and also miss that social interaction with each other.
