

Lulworth House Residential Care Home creates wonderful Showstopper Cakes

Well done to our residents and staff who created a fantastic selection of Showstopper Cakes for The Great Nellsar Cake Off competition. We used a selection of delicious decorations including pink sprinkles, flowers and even a cascade of Maltesers!

Katja Osmotherly, our Nourishment and Social Wellness Coordinator commented;

"Our residents really enjoyed getting their hands dirty making our cakes for the Cake Off competition! The residents, myself and our Activities team all got involved, all coming together and it has been a three day long task. We enjoyed every minute of it! These are our four cakes; we used one for Rita's birthday cake, as she is a chocoholic!"

We will receive a special gift for entering the competition. ***Well done everyone!***
